

SAFE DRINKING WATER ACT

9-19. Revision or Modification of State Underground Injection Control (UIC) Program

1. AUTHORITY. To approve a revised or modified State program when circumstances have changed with respect to a State program as required under Section 1422 of the Safe Drinking Water Act (SDWA).
2. TO WHOM DELEGATED. Director, Water Protection Division.
3. LIMITATIONS. This delegation does not include substantial program revisions such as changes to the State=s statutory or regulatory authority which call into question the State=s authority or ability to administer the program, transfer of program from one State agency to another, and program changes that would result in State requirements less stringent than Federal requirements.

The Director, Water Protection Division, must consult with the Regional Counsel before exercising this authority.

4. REDELEGATION AUTHORITY. This authority may not be redelegated.
